

B.Sc

SPORTS MANAGEMENT

TransStadia University allows the School of Sports Studies to become a unique institution in itself that encourages and supports student athletes that wish to pursue their undergraduate degrees while actively competing. At TransStadia University we do not make the student choose between a career in sports and a career after sports.

WHY CHOOSE TRANSSTADIA UNIVERSITY?

- Primarily focus on to athletes who need an opportunity to continue competing while pursuing their degree.
- Students can train at our Academies while representing TSU at whatever level they are competing.
- Foundation courses that covers the basics regardless of the students' previous academic background.
- Earn and Learn opportunities on campus .
- Compulsory internship to ensure industry-ready professionals.
- Curriculum design per global standards.
- Sports research opportunities and international affiliations.
- Centre of Excellence in Sports.
- Hands on industry exposure through live events on campus.
